Sir,

I have the honor to state that in going through the latest civil list I find that I am still placed below the marginally noted acting Assistant Commissioners who are my juniors in the Amildari list. Among these Mr. Santhaveerappa has not passed the required tests and yet he is placed above me. The others were appointed as acting Assistant Commissioners when I was fully qualified by passing all the Departmental tests some in 1st class taking 1st place in the Order of Merit. Since I was posted to this District as District Superintendent of Police, I have worked hard and during floods of last year unprecedented in the annals of Mysore while crossing some of the breaches to visit the affected parts and to give relief and advise to those in danger, I had narrow escape from being washed away in the stream. During this year as well I had enough experience of these abnormal floods while visiting affected parts. The Revenue Commissioner who visited these parts under the Orders of the Government just after the floods of the last year has been pleased to appreciate my humble services (vide extract from Mysore Gezette enclosed for kind information). Extract of the Mysore Gazette dated 20th September 1923, a letter from the Revenue Commissioner in Mysore, to the Government"

Extract of letter No. C.297 dated 28-8-23, of the Revenue Commissioner in Mysore, to the Chief Secretary to Government, published in page 287 of part one Mysore Gazette September 20, 1923.

" I am glad to report that the officers of Government, have been helpful in every way and did their best. I am submitting, for the information of Government, copy of a report submitted by the Tarikere Sub Division officer, Mr. Mohammed Ismail Sheriff long before the orders of Government reached him, in order to show thoroughly and systematically our officers went about their work in this distressing season. In fact, I learnt that the presence of this Assistant Commissioner and the Superintendent of police, in one of the Submerged Villages prevented a very sensational telegram being submitted to Government.

I have a little experience and knowledge of floods elsewhere also, and think that the work done by the officers here compares favourably with work out-side. I learnt that Mr. Hyder Ali Khan, Superintendent of police, was nearly washed away while attempting to cross one of the breaches near Chickmagalur.

Sir,

Adverting to the G.O. dated 22nd September 1924 published in the Mysore Gazette and the impending formation of the Civil and non-Civil Service cadre thereunder I beg to bring the following facts to the kind and favourable notice of Government in support of my claims to be included in the list of Officers of the Civil Service Cadre.

I am now 36 years old and started service as a Probation-er. So far back as 1918 I was nominated to the ranks of the Assistant Commissioners and as Divisional Recruiting Officer in 1918, I was drawing a pay of Rs.250 plus Rs.75. For a brief period in the year 1919,and in the year 1922,I had to work as Amildar,owing to exigencies of Public Service.But that my pay may not be below that of the last class of Assistant Commissioners.I was stationed in Bangalore and Mysore. Where in addition to Amildar's pay I had an allowance of Rs.50/- making in all Rs.250/- per mensem.

In order to be confirmed as an Assistant Commissioner I had to pass a few Special test examinations which I did in 1921-22 taking a first class in Accounts Higher and Civil Part II,with the first place in the Province. I have also passed the necessary Revenue Survey Training with credit.

On 4-8-23 I was sent out here as Superintendent of Police,and I am now drawing the same pay of Rs.250/-. My first increment is due to me in the usual course,since August last.

I have obtained first class certificates in equitation and my work in connection with the floods has been appreciat-

(13

appreciated and recommended for special recognition. Also my detection in the important sandalwood smuggling cases has been complimented upon by the Inspector General of Police.

In the usual course I would have reached the position of a Senior Assistant Commissioner in 1930 when I would be only about 43 years old.

As by my qualifications, good work and record of service and as Assistant Commissioner for the last 6 years, I have earned a permanent place as a Civilian by nomination under old rules, I beg that in the new scheme of Civilians and Non-Civilians Government may be pleased to include my name in the former, as the new rules cannot possibly be worked to the disadvantage of the position that I have earned.

I beg to add that my social status and family claims also entitle me for special recognition. For which I shall, as in duty bound ever pray.
